

# NT Cutter® 2018

## New Model

### 『PREMIUM G SERIES Ver.2』

\*Extra sharp black blades that we are especially particular about are installed for all the models.

\*The 30 degree tip blade, perfect for precision work, is installed for PMGA-EVO2.

\*An evolutionary model with stylish and tough, durable metallic pearl black holder should serve you satisfactorily, and bring you great pride of ownership.
